## School PE and Sports Premium Funding

### **Sports Premium Funding**

The government is providing funding of £150 million per annum for the academic years 2013/14 and 2014/15 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £16,000 plus an extra £10 per pupil each year for the next two years - here at Brown Clee that will mean approximately £16530 a year.

### **Purpose of the funding**

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs
- pooling the additional funding with that of other local schools.

At Brown Clee Primary School, we recognise the significant contribution of PE to the health and well-being of all children. In addition, we believe that an innovative and varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all children.

### **Use of the funding at Brown Clee C.E. Primary School**

The money will be used so that all children benefit regardless of their sporting ability. We will continue to place a high priority on our PE provision and, as such, have invested in additional staffing and resources to further enhance the PE curriculum.

# Sports and PE Impact Statement

## 2017-18

Grant	School Objectives		Success Criteria
£16530	<ol style="list-style-type: none"> <li>1. To continue improvements to quality of teaching in PE</li> <li>2. Improve health and fitness of children and staff</li> <li>3.
