

End of Year Outcomes - 2018

Here you can find the outcomes for pupils that were statutorily assessed at the end of their Reception year, the Phonic Test results for our Year 1 and 2 pupils, and also the outcomes for our Year 2 and Year 6 pupils in reading, writing and maths (and Grammar, Punctuation and Spelling for Year 6 pupils).

The majority of our outcomes are at least in-line with or above national averages, which is a fantastic achievement for a small school.
