

Homework—Class 2

Spring 2018

Homework books will be given out and collected in on a **Wednesday**.

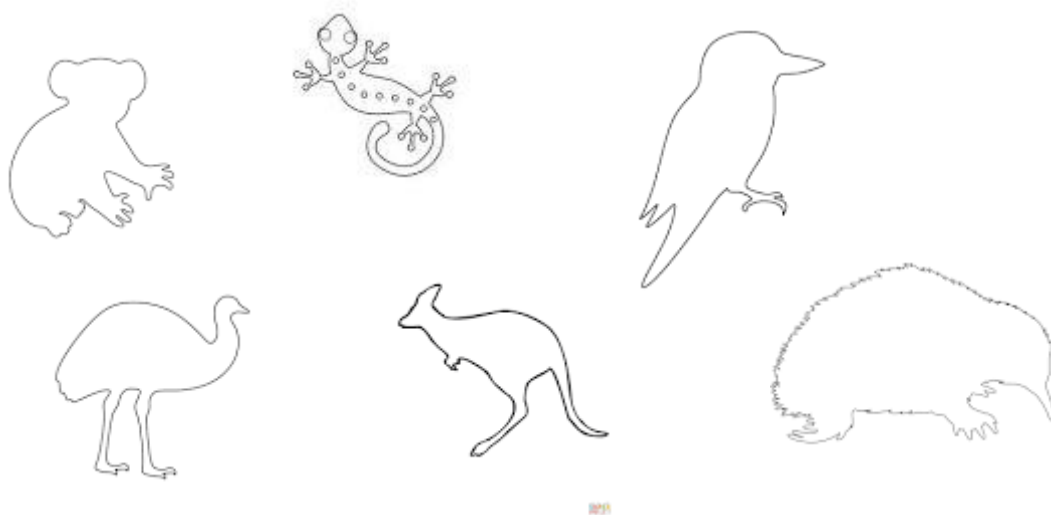

Design a Boomerang

We have had a lovely selection of Boomerangs that have been brought into school by some of the children in Class 2. We have looked closely at the patterns, symbols and animals that have been painted on them.

Using the template in your book can you use the 'dot' style to create a design on the boomerang.

Think about the animal outlines you have been working on in Art too.

Felt tip pens are best for this, if you haven't got any at home please ask to borrow some.

Please hand in **Wednesday 7th February**.
