

Brown Clee C.E. Primary School

Parent Questionnaire June 2023

This survey was carried out at the end of Summer term 2023. There were 14 respondents, so each answer = 7.14%

Question Level Analysis

General Comments:

We are pleased with the progress our daughter has made over this last year with school and personally.

We are really pleased with Brown Clee School and really grateful to all the staff who work together as a team to teach, support and encourage our children.

We are not aware of any bullying.

Questions / Issues:

There were no questions or issues raised in the Comments Box. From the question level analysis, there were 3 parents who have expressed that they don't feel that the school lets them know how well their child is doing. We take this on board, and would like to reassure parents that we fulfil all statutory requirements to feedback to parents termly with regards their child's progress and achievement in school. We do this with holding Parents Feedback Sessions in the Autumn and Summer, and by sending a written mid-year report home in the Spring Term. For children in Reception, this is slightly different due to children learning the Early Years Curriculum, so parents receive a feedback session in the Autumn Term, are invited to an Open Afternoon in the Spring Term and receive a written report/Early Years Profile at the end of the Summer Term. Parents of Reception children also use Tapestry, which is a fabulous resource where school shares regular information on what their child is learning in school.

If parents have any specific concerns or questions regarding their child's learning, then we would request that you contact the class teacher directly via the class email addresses. Teachers are more than happy and would encourage this, as the last thing we want is for parents to have any questions or concerns niggling them.

We are unable to hold more regular parent evenings or write more reports due to time constraints, but if you have any suggestions as to what format, or what sort of further information you would like, then please do get in touch with us.

Our Well Done Assemblies are also a source of general information on the activities and learning that is taking place in school, and our School Website and social media pages also share regular news and information.
