Headteacher: Mr. Danny Harley

26th April 2024

Dear Parents/Carers

Bikeability – Year 5 and 6 5th – 7th June

Next half term, we have organised for LearnCycling to come to school and carry out a level 1 and level 2 Bikeability training.

We firstly need to know the cycling proficiency of your child(ren) so that we can best group children together – as some elements of the level 2 course involve learning to cycle safely on roads.

Secondly, we need to know whether children have access to a bike – as well as a helmet. If you indicate below if your child does not have a bike, we can let the LearnCycling team as they may be to provide a small number for those that do not.

The course takes place over three days (children will likely be split between the three days), and therefore, they will need to bring their bike to school for these days. They can either ride their bikes to and from school each day for the days - or you could bring the bike in for the first day, and we can keep bikes locked in school overnight until they are picked up again on the Friday.

Please fill in the below slip regarding equipment and bike proficiency. An additional letter with permission for LearnCycling will also need filling in.

Any questions, please don't hesitate in getting touch.

Yours faithfully,

Interim Headteacher

Please return this (and additional permission) to school by **Tuesday 14th May**
